Seymour St., Westdene, Johannesburg | daniellamitsh@gmail.com | +27 69 332 4939

## SUMMARY

I am a passionate and driven software developer with a background in information Technology and Software Engineering. My expertise lies in programming, problem solving, and data analysis, with hands on experience in java, Python, and Pandas. Through my academic journey and projects, I have developed strong analytical thinking, collaboration skills, and adaptability in dynamic tech environments. I am eager to apply my technical knowledge and creativity to develop scalable and efficient software solutions that drive innovation and make a meaningful impact.
